

August 10, 2020 Radio Spot

Hello, this is Chris Fritsch, your Pendleton School District Superintendent, and Tricia Mooney, Hermiston School District Superintendent. We want to encourage you to stay safe in the face of this pandemic. As residents of Umatilla County, we are all in this together. At baseline level, everything improves from here. To return students to school, to better the economy for our communities and business owners, and to ensure the health of each other, we must take the necessary steps. If you must venture out of the house, please socially distance when around others and wear your mask if you are unable to keep a safe distance. We can flatten the curve together and beat COVID. If you feel ill, show the signs or symptoms of COVID, or have been in contact with someone who has tested positive, please stay home and help prevent the spread of the virus. As leaders of school districts, we have a heart for the kids. We miss them! We are Pendleton and Hermiston, working together to bring our kids back to school. Let's all work together to fight the virus.
