

August 24-28, 2020 Radio Spot (1)

Hello, this is Chris Fritsch, your Pendleton School District Superintendent, and Tricia Mooney, Hermiston School District Superintendent. We want to personally thank each of you for doing your part to help reduce COVID cases in Umatilla County. With each of us doing our part by staying home when we're feeling even a little under the weather, wearing face coverings, and physically distancing, case counts have dropped. We appreciate your reducing exposure to protect our communities. Your school district continues to plan the start of school. Our teachers are excited to welcome their students for what will certainly be another memorable year. Your student will learn and engage in new ways and meet new friends in math facts. There will be much to celebrate. We are excited to start this school year and will continue toward our goal of in-person instruction. We are Pendleton and Hermiston, joining together to bring all of our students back.
