Hello, this is Chris Fritsch, Superintendent of the Pendleton School District.

Great job, Umatilla County, for the collective effort to curb the COVID rates in our county. As we return to Phase 1, let me remind you this is no time to let up. It will take a comprehensive and sustained effort to continue our movement towards totally reopening our community and schools. Please wear your mask and socially distance.

We are the Pendleton School District, and together, we are committed to every student, every day!
