107 NW 10<sup>th</sup> St.  
Pendleton, OR 97801

Dear Chris Fritsch,

Returning Oregon students to onsite learning is an enormous responsibility that is shared by schools, districts, and local and state public health agencies.

This letter confirms that UCo Health has received Pendleton School District's *Operational Blueprint for Reentry*, written following the guidance issued by the Oregon Department of Education. We have reviewed sections One through Three of the *Blueprint*.

UCo Health is ready to work with Pendleton School District to mitigate the impact of COVID-19 in schools.

Sincerely,

Alisha Southwick, MN, RN  
Deputy Director
