Hello, this is Chris Fritsch, Superintendent of the Pendleton School District.

New to the District this year is our student information system. One of the improved features of this system is ParentVUE. ParentVUE provides parents real time information about their child's homework, assignments and easy email access to teachers. ParentVUE can be found on the Parent Resource page at [pendleton.k12.or.us](http://pendleton.k12.or.us). I encourage all parents to remain engaged in your child's education.

We are the Pendleton School District, and together, we are committed to every student, every day!
