Hello, this is Chris Fritsch, Superintendent of the Pendleton School District.

Regardless of our political affiliations or our personal opinions on COVID-19, we must all work together to reduce and eliminate this disease from our communities. Our students need to be in school and they can't until all of us do our part by wearing a mask in public, social distancing and practicing good hygiene.

We are the Pendleton School District, and together, we are committed to every student, every day!
