Hello, this is Chris Fritsch, Superintendent of the Pendleton School District.

During Comprehensive Distance Learning, students will be logging in to live and applied learning lessons. For families that do not have Wi-Fi, we are working on alternatives to provide access. In the meantime, Wi-Fi is available free of charge at all of our buildings. Parents that have transportation should contact their child's school to learn more about Wi-Fi options.

We are the Pendleton School District, and together, we are committed to every student, every day!
