Hello, this is Chris Fritsch, Superintendent of the Pendleton School District.

I want to acknowledge one of many special groups, our ASTRA club sponsored by Altrusa. During this pandemic, they have taken every opportunity to help our community, including volunteering at food banks, decorating sidewalks with messages of hope and positivity and helping disperse masks countywide. We are extremely proud of our ASTRA students and their contributions to our area.

We are the Pendleton School District; and together, we are committed to every student, every day!
