

October 18-20, 2020 (Lucy) Radio Spot

Hello. My name is Lucy Oyama, a junior at Pendleton High School. I'm the publicist and secretary for the Astra Club, which is a service club for all PHS students, run by students and supported by local Altrusa Clubs. I have participated in this club since my freshman year. As a club, we have been able to do great things in serving our community, like Adopt-a-Family where we provide Christmas presents for a family and making shoes for kids in Uganda out of jeans. Despite the current circumstances, I'm still able to participate in activities and serve the community through Astra. If you're a high school student and want to join, everyone is welcome.

Go Bucks!
