

October 18-20, 2020 (Sarah) Radio Spot

Hello. My name is Sarah House and I am a junior at Pendleton High School. I am an active participant in leadership and Astra, as well as a member of both the volleyball and varsity tennis teams. This year, I'm a link crew director and assembly director for our school. As a sophomore, I really enjoyed taking honors biology with Mrs. Hansen. After high school, I plan to apply to BYU Provo to study microbiology. I am a proud member of the buckaroo family. Go Bucks!
