Hello, this is Chris Fritsch, Superintendent of the Pendleton School District.

I'd like to thank all of our families for staying with us through these difficult times. I realize the circumstances have put all of you in difficult positions and have forced some monumental decisions. Please trust me when I say we are doing our best to provide your children the very best under the conditions we are put in.

We are the Pendleton School District; together, we are committed to every student, every day!
