

December 7- 11, 2020 (2) Radio Spot

Hello, this is Chris Fritsch, Superintendent of the Pendleton School District.

The Center for Disease Control recommends that parents do the following to keep children healthy during the pandemic.

Help your child stay active, encourage them to get outside and move at least 30 minutes a day.

Stay socially active by phone or chats during the day.

For more tips and information, go to <https://www.cdc.gov/> or contact your child's school.

We are the Pendleton School District; and together, we are committed to every student, every day!
