Hello, this is Chris Fritsch, Superintendent of the Pendleton School District.

I'd like to thank our staff, students, families and community as we have worked together through the pandemic. We anxiously await the day we can get all of our students back in our schools. Please do your part to slow the spread of COVID-19, wear a mask, avoid large gatherings and isolate from others if you are sick.

We are the Pendleton School District and together we are committed to Every Student, Every Day.
