## December 2020 (Andrew) Radio Spot

Hi. My name is Andrew Demianew and I am a sophomore at Pendleton High School. I am involved in leadership where I get to help organize events for our school. I also play football and baseball at PHS. The subjects I am most interested in is Math and Health. My favorite class so far this year at Pendleton High School is Spanish II with Senora Youngman. In Spanish II, we are learning to formulate sentences which is pretty cool. Outside of school, I enjoy going hunting and fishing with my family. Last of all, Go Bucks!
