## January 2021 (Sidney) Radio Spot

Hi. I'm Sidney Schreier, and I'm a senior at Pendleton High School. I'm vice president of the ASTRA club, a member of the art club, and FFA as a metal student. I participate in cross country and track & field. This year I'm taking calculus, honors biology, civics, physics, welding, and studio art. My favorite teachers are Mr. Oja, Mr. Campbell, and Mrs. Thomas. One day I would like to become a trauma surgeon. I had a wonderful time at Pendleton High School, and I hope you do too. Go Bucks!
