Hello. My name is Tucker Zander, and I am a senior at Pendleton High School. Throughout my years of high school, I have participated in baseball and basketball. Some of my favorite hobbies are hanging out with friends, working with youth athletes, and volunteering my time in serving this outstanding community. My plans after high school are to attend Eastern Oregon University to play baseball and earn a degree in secondary education. I plan to return to this community to become a teacher and a coach. I want to give a big shout out to all the teachers that have supported me throughout my years of high school, especially Mr. Clem. Don't be JV. Go Bucks!
