

January 3, 2021 – Metrics Relaxed Radio Spot

Hello, this is Chris Fritsch, Superintendent of the Pendleton School District.

Recently Governor Brown announced a revision for reopening schools in Oregon. The metrics have been relaxed, but requirements for in-person instruction have not. In the coming weeks, our district will be reviewing our reopening plans and ensuring they are in line with the current requirements. We will begin 2021 as we ended 2020 until we can safely implement our reopening plans.

We are the Pendleton School District, and together, we are committed to every student, every day!
