February 2021 (Jacob) Radio Spot

Hi. My name is Jacob Airoldi. I am a senior at Pendleton High School. My favorite classes are physics with Mr. Cooper and metal fabrication with Marty Campbell. In my free time, I enjoy hanging out with friends and playing sports. I am a member of the National Honor Society. I am on the soccer, swim and golf teams. After high school, I plan to enter the fire science program at BMCC. I am Jacob Airoldi, and I love my Bucks!
