

March 2021 (Jordyn) Radio Spot

Hi. I'm Jordyn Murphy, a senior at Pendleton High School. I am involved in cross country, basketball and track. I've also done two years of softball at the high school. I've also been involved three years of leadership. My favorite classes are bio and health. I love attending all sporting events and school events. I will be attending Eastern Oregon University on a cross country and track scholarship and here I will be studying to be an athletic trainer. Anyways, Go Bucks!
