

March 21, 2021 – All Students Hybrid

Hello, this is Chris Fritsch, Superintendent of the Pendleton School District.

Beginning Monday, March 29th, all secondary students in Pendleton will be returning to schools under the Hybrid model. In this model, students will spend be onsite for ½ of their day and work remotely the other half of the day. I would like to thank our community for your efforts and support to get our students back in school.

We are the Pendleton School District, and together, we are committed to every student, every day!
