

March 7, 2021 – Kindergarten Packets

Hello, this is Chris Fritsch, Superintendent of the Pendleton School District.

Parents, it's not too early to register your kindergarten students for the 21/22 school year. By doing so now, we can better plan for staffing and class balancing. You can download a registration packet from our website or pick up a packet at any of our elementary schools. Visit our website for more information.

We are the Pendleton School District, and together, we are committed to every student, every day!
