

April 18, 2021 – Secretaries Week

Hello, this is Chris Fritsch, Superintendent of the Pendleton School District.

National Secretaries Week and Secretary's Day was created in 1952 to recognize the importance and value of secretaries to all organizations. Today they are referred to as Administrative or Office Professionals. Please join us this week and on Wednesday, April 21st, to recognize the contributions of our Secretaries and Administrative Professionals to our schools and businesses.

We are the Pendleton School District, and together, we are committed to every student, every day!
