

## April 2021 (Brynn) Radio Spot

Hi. My name is Brynn Cody. I am a senior at the Pendleton High School. I am part of the high school's link crew committee, which welcomes in freshman students. I have enjoyed attending the basketball and football games with friends over the past four years. My favorite class that I am taking this year at PHS is Honors Biology II with Mrs. Bixler. After graduating, I will be attending Central Oregon Community College in Bend, OR, to further pursue my career in nursing. Go Bucks!
