

April 4, 2021 – MATHCOUNTS

Hello, this is Chris Fritsch, Superintendent of the Pendleton School District.

Students from Sunridge Middle School recently participated in the MATHCOUNTS Competition Series. Eight of our students competed this year as the event was held online and consisted of a Chapter, Invitational, and State competition. Jaydon Hoffert and Tyler Hall represented our district at the Invitational and State rounds. Congratulations to all of our competitors.

We are the Pendleton School District, and together, we are committed to every student, every day!
