

April 4, 2021 – Secondary Hybrid

Hello, this is Chris Fritsch, Superintendent of the Pendleton School District.

Our secondary students returned to school using a Hybrid model on March 29th. Applying the latest guidance and monitoring our ability to keep our secondary students and staff safe will determine whether secondary will return full-time for the remainder of the year. Updates to our plans will be communicated directly to our families every 5-7 days.

We are the Pendleton School District, and together, we are committed to every student, every day!
