

May 2021 (Josie) Radio Spot

Hi. My name is Josie Wilson. I am a senior at Pendleton High School. I'm on the varsity volleyball and basketball team. My favorite sports memory is beating the Hermiston Bulldogs in volleyball this year after not playing them for three years. My favorite classes are English with Mr. Foster and T&C with Mr. Linehan. Outside of school, I spend my time working, volunteering at sports camps and activities, and cheering on my classmates at sporting events. After high school, I plan on attending Columbia Basin College in Pasco, Washington, to pursue a degree in dental hygiene. Go Bucks!
