

May 2021 (Morgan) Radio Spot

Hi. My name is Morgan Schumacher. I am a senior at PHS, preparing to attend BMCC for a year and then transfer to Columbia Basin to study radiology. I am currently participating in golf, and I was the varsity football manager for the last three years. My favorite memory from school is during the homecoming assembly when I was participating in the junior lip-syncing competition. We were singing *Living on a Prayer* by Bon Jovi. We were all dressed up like the band and wore wigs. I was enjoying rocking out like the guitarist, and the crowd went wild. Go Bucks!
