

May 2021 (Sauren) Radio Spot

Hi. My name is Sauren Garton, and I am a junior at Pendleton High School. I am a member of the National Honor Society as well as our high school leadership class. When I am not in the classroom, I have a passion for competing in both softball and volleyball. We have such an amazing staff here at PHS, but one of my favorite teachers is Josh Linehan. He pushes our student-athletes to the very best of their ability each and every day. After high school, I plan to attend college and either pursue a business or nursing degree. I am thrilled to be back in the classroom. Go Bucks!
