## May 2021 (Amaya) Radio Spot

Hi. My name is Amaya Rasheed. I am a fellow student at the Pendleton High School. I enjoy art, history, and math. My favorite class would have to be study hall. My favorite club would have to be Honor Society. I enjoy art, reading, and hanging with my friends. I especially love participating in school events, such as football games. I love supporting my fellow Bucks. After high school, I plan on attending Portland Community College and pursuing a career in psychology. Go Bucks!
