

May 23, 2021 – Fall

Hello, this is Chris Fritsch, Superintendent of the Pendleton School District.

We look forward to opening school in the fall. In order to do so, we will need to build up our community immunity. One way to get to this is for those 12 & older to receive a COVID vaccine. I encourage families to seek out advice from their medical provider to determine what is best for you and your family.

We are the Pendleton School District, and together, we are committed to every student, every day!
