

School Calendar Days

Student Contact Days

1. During regular school hours, when students are in a building, all students and adults will wear face coverings per OAR 333-019-1015. This includes all school programs and clubs that meet before or after the regular school day, such as NHS, FFA, etc. See the attached FAQ for more specific information.
2. When students impacted by #1 above are outside for class activities, recess, etc., face coverings will be optional.
3. Each building will develop a uniform plan and protocols for student “face covering breaks” that all staff will follow and enforce.
4. Unvaccinated staff who are supervising students when they are outside are required to wear a face covering.
5. Vaccinated staff who are supervising students when they are outside have the option to wear a face covering.

Student Contact Days Prior to Students Arrival and After Students Have Been Dismissed

1. All staff must wear a face covering at all times.
2. The only exception is when a staff member is alone in a room. A room is defined as four walls with at least one door.

Staff Meetings In-person on Non-Student Days

1. A space should be used that allows for at least 6’ of separation between individuals.
2. All staff are required to wear a face covering at all times. The only exception is when a staff member is alone in a room. A room is defined as four walls with at least one door.
3. A remote option from their on-site workstation will be available to staff as an option.

After Hours, Weekends and Holidays

1. Face coverings are optional during times when there is likelihood of no or few other people being in the building.
