Special Note

The At-A-Glance School and District profiles tell a story about Oregon's schools and districts. The story is harder to tell this year as the COVID-19 pandemic significantly impacted our schools and the data we collect. As a result, statewide assessment and attendance data cannot be compared to prior years and are not shown here. We have included links to our website where you can view the 2020-21 statewide assessment and attendance data and read a detailed description of how these data were impacted. We're thankful for your partnership as we focus on care, connection and the creation of safe, inclusive and supportive learning environments.

School Goals

After the very difficult past year, our school is focused on two areas; help all students make up as much lost or incomplete learning as possible, and to meet the social and emotional needs of all students. We will strive to provide our students a safe, stable and caring environment where students can grow and learn academically, socially and emotionally.

State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

Safe & Welcoming Environment

Our school strives to ensure all students and their parents feel welcome by being greeted by a warm friendly office staff. We keep our school clean and our customer service at the top of our priority list. Our staff is conscious of making our school a safe place for all students, staff, and our visitors. We want all who enter to feel as if they belong to our McKay Family. Our school is also equipped with modern safety features which help us keep our students and staff safe each and every day.

About Our School

BULLYING, HARASSMENT, AND SAFETY POLICIES

To ensure a safe and secure learning environment for all of our students, our school child development specialist provides lessons to students and staff about recognizing, addressing, and preventing bullying and harassment behavior. We also have the SafeOregon anonymous reporting line/email available to students and parents which can be found on our school website. We have four award assemblies though-out the year that recognize students for their strengths. Parents are always invited.

Our staff continually work with students and parents on a case-by-case basis to address conflict between students and to provide counseling to learn how to respectfully treat others.

EXTRACURRICULAR ACTIVITIES

Our school offers several extracurricular activities:

- Strong PE and Music programs
- Partnership with community for local athletic and art programs
- Cultural events

PARENT ENGAGEMENT

Our school strives to engage all of our parents by providing language supports for parents where English is their second language.

Our school holds a yearly activities such as Grandparents Day, Book Fairs, and opportunities for students to share their learning with the community.

We also have many parent volunteers who assist teachers in their classrooms on a daily basis.

COMMUNITY ENGAGEMENT

We partner with the local community to provide students with learning opportunities:

- Local Museums (Tamastlikt Cultural Institute, Oregon Trail Interpretive Center, Baker County Museum, Pendleton Heritage Station)
- Watershed Field Day

Each year we hold our winter coat drive as well as an annual food drive to connect our students and community by working together to provide for families in need.
