SCIENCE

Students meeting state grade-level expectations.

School Goals

Goal #1 – Providing Instructional Excellence. McKay Elementary has developed a "What I Need" room designed for explicit and targeted instruction, implemented district-approved curriculum, and utilized innovative teaching practices and strategies in both reading and math. Goal #2 = Being Responsive to The Needs of All Students. McKay Elementary provides daily SEL instruction to all students and conducts regularly scheduled MTSS team meetings to ensure that we are meeting the needs of all students. The district implemented an updated SEL screener (DESSA) to ensure precise screening of our students.

State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

Safe & Welcoming Environment

McKay safety is continuously at the forefront of all decisions about our campus. We conduct monthly safety drills and continue to improve safety features in our building. We promote an, "I'm not scared, I'm prepared" stance any time we train our students. Our students belong to a Mustang family and are supported with a feel like home mind-set from staff. It is of utmost importance that our students and their parents/guardians feel comfortable and are a part of our team. We strive to ensure that all students and families feel welcome in our school and are greeted with excellent customer service at the door.

About Our School

BULLYING, HARASSMENT, AND SAFETY POLICIES

Our Child Development Specialist provides lessons to students and staff about recognizing, addressing and preventing bullying and harassment behavior. These lessons help to ensure a safe and secure learning environment for all students. We have assemblies that center around character education and addresses bullying and harassment prevention for our students. We also have the anonymous SafeOregon reporting line available to students and parents which can be found on our school website

EXTRACURRICULAR ACTIVITIES

McKay has strong PE and Music courses on campus. We partner with the community for local athletic, art and after school programs. We have an active Parent Club that promotes numerous events throughout the year and Mustangs are active participants in the annual Battle of the Books event.

PARENT ENGAGEMENT

McKay has a Parent Club that invites parents to be as active as they wish. We also welcome parent volunteers and outside experts to work in classrooms.

COMMUNITY ENGAGEMENT

McKay has strong relationships with our community partners that provide students with learning opportunities such as: Tamastsiikt Cultural Institute, Oregon Trail Interpretive Center, Baker County Museum, Pendleton Heritage Station and others. We partner with BMCC, Watershed Field Day, and have a Local School Resource Officer and school nurse available to our students.
