The person responsible for Asbestos Hazard Emergency Response Act (AHERA) information is:

Name: Brian Norris
Position Title: Facilities Manager
Phone Number: 541.966.3268
Email Address: bnorris@pendletonsd.org
Mailing Address: 107 NW 10th Street Pendleton, OR 97801

2. Copies of the Healthy and Safe Schools Plan

Copies of the plan are available at each of the following locations:

- Administration Office, 107 NW 10th Street Pendleton, OR 97801
- <https://pendleton.k12.or.us/facilities/>

3. Testing Certification

Pendleton School District 16R certifies that it is in compliance with all plan components, including any and all testing required by any part of the plan.

4. Testing Results

Pendleton School District 16R is current with all required testing as of the date of this document. Test results can be found on the Pendleton School District's website at <https://pendleton.k12.or.us/facilities/>. Pendleton School District will also use current district email lists or communications programs to provide final test results to staff, students, parents of minor students, and other members of their community. This includes providing actual final test results or providing direct access to final test results through links in the communications. Please contact Michelle Jones to be added to current district email lists and programs. Specific test results can be found as follows:

- Lead in Water: <https://pendleton.k12.or.us/facilities/>
- Radon: <https://pendleton.k12.or.us/facilities/>

5. Website Link Maintenance

Pendleton School District certifies that all website links for plan information and test results are current and functional.

6. Major Exposure Reduction Activities

Pendleton School District has completed the following major activities, which resulted in reduced risk of exposure to hazardous materials:

Facility Name	Building Identification Number (BIN)	Activity resulting in reduced risk of exposure to hazardous materials	Type of hazard addressed	Date of activity	Estimated cost of remediation
McKay Creek Elementary	22070100	Re-pipe	Lead in Water	Apr 2023	\$0.00

I certify that the above information is true and accurate to the best of my knowledge.

Michelle Jones	Director of Business Services	April 26, 2023
