Students earning a high school diploma or GED within five years. Cohort includes students who were first-time ninth graders in 2017-18 finishing in 2021-22.

#### COLLEGE GOING

Students enrolling in a two or four year college within 16 months of completing high school in 2020-21. Data from the National Student Clearinghouse.

### School Goals

Our school strives to ensure the success of all students by providing highly engaging and relevant learning opportunities connected to standards, so students can acquire the necessary skills and knowledge to be prepared for opportunities after high school. As a staff, we model lifelong learning by engaging in professional development that prepares us to achieve our vision and to meet students where they are in order to help them grow academically, socially and personally.

### State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2027. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

### Safe & Welcoming Environment

At Pendleton High School, it is important to us that all of our students and their families feel safe, welcome and included. Everyone is welcome in our schools regardless of race, gender identity, sexuality, immigration status, country of origin or other factors. Everyone is entitled to academic success regardless of their background or family circumstances and each student will be provided the necessary support to ensure that success. We want students to focus on learning without fear of discrimination or harassment.
