School Goals

For the 2023-2024 school year, Washington Elementary school goal is to increase opportunities to build and maintain a positive school environment that sets high academic expectations for students and staff.

State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2027. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

Safe & Welcoming Environment

Students at Washington Elementary are taught Social Emotional Learning lessons daily to ensure they feel safe and welcome in our school community. Our staff take pride in building a rapport with every student, every day. At Washington Elementary, we are focusing on using Conscious Discipline strategies to support all of our students with emotional needs.

About Our School

BULLYING, HARASSMENT, AND SAFETY POLICIES

Pendleton School District is a "no bully zone." Sexual harassment and bullying are against Pendleton School District policy as well as against State and Federal law. At Washington Elementary we are committed to maintaining a learning environment that is free of sexual harassment and bullying. These acts will not be tolerated. Additionally, located in our student handbook are resources for reporting bullying. The SafeOregon is a program created for Oregon students, parents, school staff and community members to report and respond to student safety threats.

EXTRACURRICULAR ACTIVITIES

Washington Elementary has a partnership with the Pendleton Parks and Recreation as well as the After-School Program on the Confederated Tribe of the Umatilla Indian Reservation (CTUIR). We support the advertisement of these programs in our school with the use of flyers, invitations to our school community events, and word of mouth as parents seek extra-curricular activities. Pendleton Parks and Recreation offers many opportunities for our students to participate in with little cost to families, such as sporting teams and youth events. The CTUIR After-School Program as well as Pendleton Parks and Recreation offer after school programs.

PARENT ENGAGEMENT

Washington Elementary has an active Parent Group. Our Parent Group sends school wide event advertisements home via email and fliers, and is present at every family event. Our Teachers keep parents up to date with information regarding school events and student progress. Parents and guardians are always encouraged to apply to be a volunteer. We communicate through our website, Facebook page, reader board, fliers, Remind texts/messages, as well as phone calls home through our automated system and personal phone calls.

COMMUNITY ENGAGEMENT

Washington Elementary has many partnerships with the community programs and resources. We work hand in hand with programs and resources such as the CTUIR Education Department, Wildhorse Resort and Casino, Pendleton Parks and Recreation, Altusa, and Umatilla County CARE program. Our community programs and resources have supported us with projects, funding, and volunteers as well as individual family needs. When we have family events on campus, we are always sure to invite the community programs to engage our families.
