Budget Message
2024-2025

Introduction: The proposed budget was developed based on Oregon State Funding for K-12 education at \$10.2 billion for the 2023-2025 biennium. The budget presented

1. State School Fund (SSF) funded at 100%,
2. Special Revenue Funds including Measure 98-High School Success Act, Measure 99-Outdoor School and Student Investment Account (SIA) funded at 100%,
3. Federal programs including Title I, Title IIA and Title IV funds remain constant.

Economic Impacts: State-wide revenue forecasts continue to provide financial outlook for the near future. Obviously, that may have some impact on the budget either positive or negative.

The PSD budget is presented in three fund groups: General Fund, Special Revenue Funds, and Debt Service Funds. Below is a brief description of each fund and the impacts for the 23-24 fiscal year.

General Fund – is the district’s main operating fund. Most of the district’s staff and services are budgeted and paid from this fund. Major revenue sources include local property taxes and the State School Fund. The General Fund budget for 24-25 reflects an increase of 4.5% over 23-24. Increases in the State School Fund, property taxes, investment income and the budgeted beginning fund balance account for the majority of the increase from the prior fiscal year. The increase in beginning fund balance continues to be tied to the issuance of stimulus funds. Federal ESSER grant funds will be expiring September 30, 2024. The District continues to implement conservative fiscal practices which allows PSD to continue to offer comprehensive programs and maintain staffing levels

Special Revenue Funds – are used to account for proceeds from specific revenues from local, state and federal sources that are legally restricted to expenditures for specified purposes. The proposed budget of \$12.7 million accounts for over 30 special revenue funds, including the Student Investment Account. The Student Investment Account (SIA) Funds are used to provide resources to 1) meet the mental and behavioral needs of students and 2) address the achievement gap of historically underrepresented student groups.

Debt Service Funds – are funds used for the repayment of the District’s General Obligation (GO) and Pension Obligation Bonds. The district currently has two PERS pension obligations bonds that are set to expire June 2028 as well as a general obligation bond that was approved by voters in November 2013. The General Obligation bond of approximately \$55 million will be fully paid in June 2038.

Conclusion: Our goal for the current budget proposal is to fund all positions that were identified in the SIA planning process and maintain the existing high-quality programming K-12 that we have accomplished over the last several years. At this time and the variables that are known, we believe we can accomplish our goals. However, three potential challenges to the budget are looming on the horizon, 1) consistent and adequate funding by the legislature of the State School Fund, 2) ongoing challenges of maintaining current staffing and programs with the ending of ESSER funds, and 3) budgetary impacts of continued declining enrollment.

Respectfully submitted,

Kevin Headings

BUDGET MESSAGE ADDENDUM

Legal Requirements

The budget message is required by Oregon Law ORS 294.403. It is prepared by the Executive Office of a municipality for delivery at the first regular meeting of the Budget Committee, as required in ORS 294.426.

The law states that the budget message shall explain the budget document, contain an outline of the proposed financial policies, describes the important features of the budget document in relation to those policies, and set forth the reason for the changes from the previous year in revenue and appropriations. Major changes in financial policy must be explained if they exist.

Organization of the Budget Document

The General Fund comprises the major budget category. Resources for the General Fund are shown in the beginning of the budget document, with the expenditures sections following. Supportive services for the District, as a whole, are listed under the function summary. Other funds follow in order after the General Fund. These include: local, State and Federal grant programs, debt service and capital construction.

The budget expenditures sections show four years of expenditures: the prior two historical years are actual audited data, followed by the current budget and the proposed budget. Expenditures within a fund are listed by function and the further defined by object for accounting purposes. Functions indicate why an expenditure was made i.e. instruction (1000) or support service (2000). Objects indicate what was purchased i.e. salaries (100) or associated benefit costs (200).

Financial and Fiscal Policies

A cash accounting system is the standard for the Pendleton SD. Under this system, all revenue and expenditures are recorded when they occur during the fiscal year. The accounting system is acceptable under the Local Budget Law ORS 294.305 to 294.565.

Board policy provides that all purchases within budgetary appropriations are the responsibility of the District administration. Reports are generated through the District's data processing system and become the District's record keeping system. These are verified annually, as required by law, through an audit by a certified public accountants. Copies of the current audit are available at the District Office for public review and inspection.

WELCOME TO THE PENDLETON SCHOOL DISTRICT

Welcome to the Pendleton School District. We are located at the base of the Blue Mountains in Northeastern Oregon. Pendleton is known worldwide for the Pendleton Round-Up, which takes place the second week of September for more than 110 years. We are equally proud of our school district that provides diverse opportunities for students in preparation for their lives after high school.

We are home to 2909 students, 167 licensed staff and 69 support staff. We operate four elementary schools, one middle school, one comprehensive high school and one alternative high school. In addition, we are the host to Nixya'awil Charter School that serves students on the Confederate Tribes of the Umatilla Indian Reservation.

Our work is driven by four main goals that are the focus of our efforts and they include:

Instructional Excellence, which involves seeking out the very best people to work with our students. Then providing our staff with professional growth opportunities throughout their careers. Our people make the difference.
