Students earning a high school diploma or GED within five years. Cohort includes students who were first-time ninth graders in 2019-20 finishing in 2023-24.

COLLEGE GOING

Students enrolling in a two or four year college within 12 months of completing high school in 2022-23. Data from the National Student Clearinghouse.

School Goals

Our school strives to ensure the success of all students by providing highly engaging and relevant learning opportunities connected to standards, so students can acquire the necessary skills and knowledge to be prepared for opportunities after high school. As a staff, we model lifelong learning by engaging in professional development that prepares us to achieve our vision and to meet students where they are in order to help them grow academically, socially and personally.

State Goals

The Oregon Department of Education is partnering with school districts and communities statewide to reach a 90% on-time graduation rate by 2027. Anchored in the pillars of Academic Excellence, Belonging & Wellness, and Accountability, ODE prioritizes evidence-based strategies that strengthen early literacy, improve attendance, and deepen student engagement. We are committed to eliminating opportunity and achievement gaps for historically underserved students. By investing in culturally responsive practices, cultivating inclusive school environments, and fostering a culture of continuous improvement, we can help ensure every student thrives.

Safe & Welcoming Environment

At Pendleton High School, it is important to us that all of our students and their families feel safe, welcome and included. Everyone is welcome in our schools regardless of race, gender identity, sexuality, immigration status, country of origin or other factors. Everyone is entitled to academic success regardless of their background or family circumstances and each student will be provided the necessary support to ensure that success. We want students to focus on learning without fear of discrimination or harassment.
