NATURAL RESOURCES CAREER SOCIAL

Interested in a career in natural resources, but don't know where to start?

Join us for a career social with professionals from the natural resources sector. Talk with community members who work in forestry, fish & wildlife, rangeland, invasive plants, and more.

Attendees will:

- Learn how to get a foot in the door,
- Hear stories of peoples' pathways,
- Learn about different education opportunities in natural resources,

Bring your resume to get live feedback and learn how to tailor your experience and skills to natural resource jobs.

Food and refreshments will be provided!
